## LOYALIST COLLEGE Critical Functions Worksheet

- Summarize all functions performed within academic and service areas
- Identify functions that can be completed from home
- Surge functions are those that could increase during an influenza pandemic
- Priority A are critical functions that must be maintained and may require cross-trained, redeployed employees
- Priority B are functions that can be suspended for a short period of time
- Priority C are functions that can be suspended for an extended period of time

| Department Name:    | Date: |
|---------------------|-------|
| Responding Manager: |       |
