

# SHARE THE AiR. BE SCENT SMART.

Loyalist College is committed to providing a safe and healthy environment for our staff, students, and the community.

Please do your part to ensure that our College is a healthy place to work and learn by complying with the scent-free guidelines below.

Avoid wearing or using heavily-scented personal care products such as the following:

- Perfume, cologne or aftershave
- Hairspray
- Body lotion
- Soap
- Shampoo or conditioner
- Laundry soap or fabric softener

In addition to personal care products, fresh flowers, air fresheners, cleaning products, or any device that infuses scent in your work area can also trigger asthma attacks, allergies and other reactions in those who are scent sensitive.

Please be considerate of others when choosing your products.
