

## NOISE MAPPING TEMPLATE AND RISK ASSESSMENT

(Accompanied by a floor plan diagram showing location of all noise sources, where possible)

					CONTROLS IN PLACE			CONTROLS NEEDED		
					E = Engineering; A = Administrative; P = Personal Protective Equipment					
	Location (correlate with floor plan if available)	Task/Equipment	Duration (how long) and Frequency (how many times during 8 hr shift)	Noise Level (dBA)	E (✓)	A (✓)	P (✓)	E (✓)	A (✓)	P (✓)
