Loyalist College and Supply Chain Management Association Ontario Launch Pathway Agreement

Supply Chain Management Association Ontario (SCMAO) and Loyalist College have reached an agreement that will provide an efficient path for graduates of the College's Supply Chain Management – Global Logistics post-graduate certificate program to pursue their Certified Supply Chain Management Professional (CSCMP) designation.

The CSCMP designation is an internationally-accredited certification of strategic supply chain leadership and is Canada's most widely-held designation in supply chain management. To grant advanced standing, SCMAO assesses the curriculum for each program component.

1. **Module 2: Procurement and Supply Management**
2. **Module 3: Logistics and Transportation**
3. **Module 5: Knowledge Management**
4. **Module 6: Global Sourcing**
5. **Interactive Workshop 1: Leadership and Professionalism**
6. **Interactive Workshop 5: Risk Management**
