

Introducing

mobileDOCTOR

by guard.me

24/7 access to doctors, right from your smartphone, tablet or computer!

mobileDOCTOR by guard.me now offers access to Maple. Maple is a service that lets you talk to a Canadian doctor online anytime you need it, 24 hours a day, 7 days a week, 365 days a year.

Maple doctors can help you with many common medical conditions - so you and your students don't have to spend hours in the waiting room!

Who can use mobileDOCTOR?

As long as your call is with regard to a student with a valid **guard.me** policy number and the student has consented to you calling on their behalf, you can call with a medical inquiry if you are a:

- Student 14 years of age or older
- Parent of an insured student
- Homestay parent
- School contact

Registering for mobileDOCTOR is easy!

- 1 Create an account by visiting www.guard.me/mobiledoctor and click on the "create your account" button.
- 2 Once you click on the link, register using your student's valid **guard.me** policy number and date of birth and then follow the instructions to speak to a doctor.

What can mobileDOCTOR be used for?

If a student is not feeling well, simply log on to

www.guard.me/mobiledoctor

to set up an account to speak to a Maple doctor right away - it may help you avoid an unnecessary trip to the walk-in clinic or emergency room.

Maple doctors can provide a diagnosis and issue digital prescriptions. Doctors regularly treat common medical conditions right on Maple, including:

-  Cold/Flu
-  Eye/Ear Infections
-  Allergic Reactions/Rashes
-  Minor Injuries (Such as sprains and burns)
-  Vomiting/Diarrhea
-  Headaches/Fever
-  Sore Throats

and many more...

Please share this exciting news with your colleagues, homestay parents and staff!
