

# Financial Overview – Schulich Builders Scholarship Program Application

## Four-Month Budget

Use this form to complete the Financial Information section of the Schulich Builders Scholarship Program application. Consideration for financial assistance will be based on demonstrated financial need as determined by the Awards Office and Financial Aid Office. The Awards Officer reserves the right to adjust student declared amounts based on the Ministry guideline of allowable education expenses. You may be requested to provide proof of payments for certain expenses.

**Note:** if you have already applied for OSAP, you will not need to complete this form but will need to include your Provincial Financial Review.
