Interview Prep

Online Interview Tool

Career Services at Loyalist College subscribes to an online interview tool called Interview Prep. Through our personalized portal, you can set up prescreening interviews that you can share with candidates. Candidates would log into the portal and record their responses to your questions. You can then watch the interview in the comfort of your own office.

If you are interested in booking our interview room, please contact

**Career Services at 613-969-1913 ext. 2449 or
