## Employer On-Campus Recruitment Activities

### **Employer in the Hall**

Throughout the year, Career Services welcomes employers on campus to meet our students. We arrange for a space in a high traffic location for you to set up and market your organization.

### **Classroom Visits**

If you are interested in a Classroom Visit to give a presentation targeted towards students in a specific program, we would be happy to connect you with a Program Coordinator to discuss possibilities.

### **Interview Space**

If your organization requires space to hold interviews with prospective employees, look no further than Loyalist College Career Services. We can book a room for you and can help make the interviewing process hassle free by setting up appointments with prospective students (if needed) and provide your organization with front-of-line staff to greet all candidates.

If you are interested in participating in any of these events, please complete the [Loyalist College On-campus Recruitment Activities](#) registration form and we will respond to your request with additional information.

All events are in-person but we can work with you if virtual is preferred.
