Student, Parent/Guardian Information

Loyalist College Skills Competition

We are pleased to announce that Loyalist College will host a Skills Competition in partnership with local sponsors, community partners and area school boards.

DATE: February 26, 2024, or March 1, 2024 (Snow Date)

The day will provide students with the opportunity to:

- Demonstrate their skills and knowledge in one of the following competitions: Architectural
- Technology and Design, Automotive, Baking, Character Animation, Computer Aided Manufacturing (CAM), Electrical, Esthetics, Mechanical CAD, Precision Machining, Two-Person Carpentry, TV/Video Production and Welding
- Compete for medals and great prizes

Student Name: _____

has been identified as having demonstrated the skills and the knowledge required for participation in the _____ competition.

Important information before the competition:

1. In the event of inclement weather, the alternate date is Friday, March 1, 2024, same time. It is important to ensure the student's availability to participate on both dates. Efforts will be made to contact students before 7:00 a.m. on event day if the weather causes a postponement. Please monitor local radio stations for announcements.
2. Secondary schools will register student competitors with their Board's Skills Competition Coordinator.
3. Signed Registration and Permission to Participate form and Media Consent/Release form must be submitted before a student can be registered as a participant. Space is limited and filled on a first come first served basis.
4. Loyalist College and the East Central Ontario Training Board will be working with area school boards to register student participants for the Skills competition. No information will be maintained or used by either organization following the competition.
5. Competitors must review the 'scopes' and other information for their competition. This will ensure they understand the general expectations as well as the skills and knowledge that they may be asked to demonstrate at the competition. **Note:** Scopes will identify if there are hand tools/equipment and personal safety equipment that they must provide for themselves at the event.
6. Competitors must wear the safety equipment/clothing identified for the competition in which they are competing.
